app.smartsense.ro

Smartsense

What it does

All conversations in **one place.**

Instantly captures vital **guest details.**

Smart summaries for **faster replies.**

Live in 3 steps

Create your assistant

Give it a name, a greeting and the tone you want it to use with your guests.

Tell it what you know

Paste in your rooms, services, prices and directions. Change them whenever you like.

Paste one line into your site

The widget appears in the corner of your pages and starts answering immediately.
